

EBSA 2009

European Biophysics Congress Genoa

11th-15th July 2009, Genoa, Italy

EBSA 2009 Committee - Comitato EBSA 2009

Saturday, 17 January 2009

The 7th European Biophysics Congress will take place in Genoa from 11th to 15th July, 2009. The Congress is organised on behalf the Italian Society of Pure and Applied Biophysics (SIBPA) and the European Biophysics Societies Association (EBSA). About 1000 delegates attended the last Congress in London in 2007, and in 2009 at least 1000 attendees are expected. These will include representatives from academic and industrial institutions across Europe, with a significant presence from the rest of the world. An exciting programme is being developed for the Congress. Several plenary speakers have already accepted their invitations, and session themes have been established. Current details may be found at: <http://www.ebsa2009.org>. The Congress organisers are seeking sponsorship for the event. Sponsors will have opportunities to make presentations, demonstrate their products and distribute promotional material, depending on their level of support.

Event sponsors will be welcomed as important partners in making the Congress an outstanding success for all involved. Celebrations for 25 Years of EBSA will take place at the Social Dinner.

Parties interested in sponsoring the 7th European Biophysics Congress should contact:

Valentina Caorsi (EBSA2009 Organising Committee)

Email: sponsor@ebsa2009.org

Facsimile: (EBSA2009 Sponsor) +39-010314218

Please find on the next pages Sponsorship and Exhibition opportunities for EBSA2009.

Looking forward to seeing you in Genoa.

Yours sincerely

Alberto Diaspro
EBSA 2009 Chairman
